

Dear Marina Manager,

Cruising Guide Publications is updating the current edition of the *Cruising Guide to the Virgin Islands* for the new fifteenth, 2011-2012 edition to be released in November 2010. In addition to marina on-site visits and an annual cruise through the islands, we like to solicit the help and support of the personnel managing the various marina operations. That way we are able to offer the latest information available. To that end we would like to work with you to get the correct, most up to date information on your marina facility. It is best for the sailors, (and for the marina), if the boaters can first read about the basics such as the depth of the marina, the sizes of the slips, the availability of water, fuel, electricity etc. before entering the marina basin!

The following list of questions gives us the basic, necessary information for the yachtsman. Please feel free to list other amenities etc., that your marina and the surrounding area has available. We would appreciate receiving your responses and information by March 22, in order to incorporate that information so that we can get the book out on time.

Many thanks for helping us to make the details of your marina available to the yachting community.

Best regards,

Nancy Scott
Publisher

2010 Virgin Island Marina Survey

Please fill out and fax to us at: 727.734.8179 or go to our website

www.CruisingGuides.com and at the bottom of the page you will see the link for the Marina Survey.

- 1- Marina controlling depth?

- 2- Longest vessel the marina can accommodate?

- 3- Widest vessel the marina can accommodate?

- 4- If applicable, how many super yachts can the marina accommodate?

- 5- What special directions are there for entering the marina (status of private buoys or obstructions)?

- 6- What is the location of the fuel dock?

- 7- What hours is the staff available?

- 8- What kind of security does the marina have?

9- Do you provide water? Fuel? Wifi? Telephone? Television? Power connection/Amps?

10- What VHF channel do you monitor and from what hours?

11- Do you take reservations?

12- What kind of yacht repair work is available at the marina or within the general vicinity?

13- What other amenities does the marina offer? (showers, restaurant/bars, laundry)

14- Are there any special events that your marina sponsors?

Please feel free to include whatever information you feel is necessary! Many thanks for helping us to continue to publish the best cruising information in the Caribbean.

Please add any other information that will be informative to the visiting yachts.
